Subject for discussion: "Anticipated Scope KIBITZ as regards
W/T and COMMO planning support
therefor".

1. EUCA support of the KIBITZ 15 show will be held in abeyance until further notice.

2. The American staff controlled element of KIBITZ will continue. There are presently 2 completely trained and mounted KIBITZ agents, namely KIBITZ 6 and KIBITZ 10. There is one neutral burial, namely VULTURE "NN" (RS-1 ciphers, signal plan BYDEMO on JACKET).

3. Four to six more KIBITZ agents are in various stages of recruitment and/or training. The completion of these is the target for 1953.
